

O Sacred Breath of All that Breathes

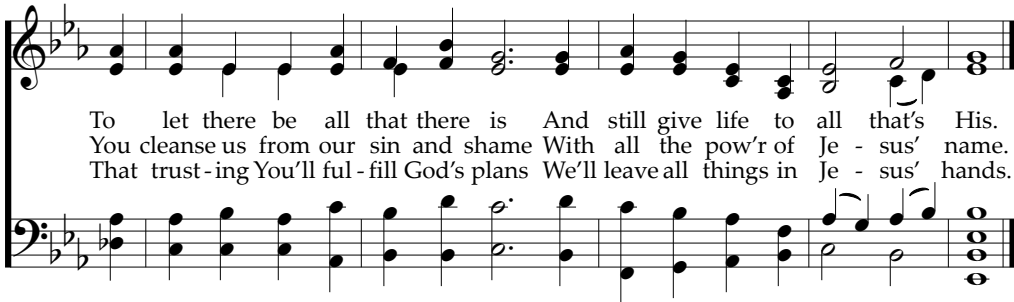

1. O Sa-cred Breath of all that breathes On earth and in the air and seas,
2. While You give breath to ev - ry man, You al - so lead us up to Heav'n
3. Come share Your ho - li - ness with us And free us from our world-ly lusts,

Let us be still and know Your peace Let all our anx - ious wor - ries cease.
Through faith in God's be - lov - ed Son By preach - ing all that He has done.
That like our Fa - ther up a - bove We too might live in ho - ly love.

You are the Spir - it of the Lord Breathed out when first He spoke His Word
You are the Breath of God's own Word Who frees us with His might - y sword;
Since You un - fold the Fa - ther's will With heav'n - ly peace help us be still

To let there be all that there is And still give life to all that's His.
You cleanse us from our sin and shame With all the pow'r of Je - sus' name.
That trust - ing You'll ful - fill God's plans We'll leave all things in Je - sus' hands.
